春生 夏長 秋收 冬藏

The regulation of spring, summer, autumn and winter.

Living things sprouts in spring. Summer is the best time of growth. Things starts to slow down a bit in the autumn, and when winter comes all growth freezes a little bit until the next spring comes. This a very natural cycle. It is just and never changed in favor of anyone.

日夜四季有規則之輪替 運轉不息 自開天闢地來 永恆不變 天地雨露之降 天地間所有一切皆乃大道的作用 The regular shifting of day and night. The nine planets going in their orbit in an orderly manner. It has never been changed since the ancient time until today. It will never be changed in the future. The falling of rain, the existence of morning dew, and all the demonstration of the mother nature are functions of Tao.

種子種下土 只要你給它愛(照顧關懷)他就自然生出果食來 您種西瓜就得西瓜 種紅豆就就得紅豆 這是自然 是真理 公正不阿

After a seed is planted in the soil, once there is care and love, it will naturally give fruit. If a melon seed is planted, you will reap melon. If a red bean seed is planted, you will reap red beans. This is nature. This is truth, which is fair and selfless.

種瓜想得豆 那是不可能的事

沒有耕耘就想要收穫 門都沒有

If we want to reap red beans out of a melon seed, it would be impossible.

As the saying goes不劳则无获。

There are no gains without pains.

不努力你就不可能成功。

没有伟大的事是无需流汗和辛劳就可轻易获致的。

有句谚语说：“不劳则无获。

”You cannot succeed without hard work. No great thing is achieved easily without sweat and toil.

俗:要怎麼收穫先哪麼栽As you sow, so shall you reap

想到天堂 就得犧牲奉獻

為世人服務 要付出行動 才能達到目的地

If we want to find ourselves in heaven after we die, then what should we do?! We should start to live a life like living in heaven.

反之 用想的就會到 那是不可能的事 不工作就沒飯吃一樣的道理 工作投機取巧 有一天是自己吃虧

In short, there is no shortcuts to heaven.
